

# Marketplace Application Checklist

When you apply for or renew your coverage in the Health Insurance Marketplace, you'll need to provide some information about you and your household, including income, any coverage you currently have, and some additional items. Use the checklist below to help you gather what you need to apply for coverage.

- Information about your household size. Figure out who in your household should apply before you start your application. Visit [HealthCare.gov/income-and-household-information/household-size](http://HealthCare.gov/income-and-household-information/household-size) for help figuring out who needs coverage.
- Home and/or mailing addresses for everyone applying for coverage.
- Information about everyone applying for coverage, like addresses and birth dates.
- Social Security Numbers.
- Information about the professional helping you apply (if you're getting help completing your application). Visit [HealthCare.gov/help/whos-helping-me-complete-my-application](http://HealthCare.gov/help/whos-helping-me-complete-my-application) for more information.
